

Nada , učiteljica u OŠ Kosta Trifković, “ I da se ponovo rodim odabrala bih ovaj poziv”. Voditelj sam nekoliko akreditovanih obuka za zaposlene u obrazovanju, učesnik u prvom Erasmus + ,K1 projektu naše škole gde sam stekla neprocenjivo profesionalno I životno iskustvo. Ponosna sam što imam priliku da se uključim u novi K2 projekat” Žive knjige u školama “, I jedva čekam da počnemo sa radom

Volim da podučavam, pomažem, umem da saslušam , razumem I saosećam. Vedra I nasmejana, brižna I požrtvovana. Preosetljiva na patnju I bol , nevine žrtve, tužne priče me uvek rasplaču.U poslu veoma odgovorna, radoznala,znatiželjna I nikada neću prestati da učim

Volim putovanja, avanture, nova poznanstva I smatram da je odgovornost na svima nama da ovaj svet učinimo lepšim I boljim.

Nada is a teacher in *Kosta Trifković* Primary School. If I were born again, I would still choose to be a teacher. I am a trainer as well, and I give several certified seminars for teachers. Being a team member of the first Erasmus+ K1 project in our school helped me gain valuable professional and life experience. I am proud of being given an opportunity to participate in a new K2 project *Living Books in Schools*, and I can't wait for us to get started.

I love teaching and helping others, I can listen, understand and feel with people. I am optimistic and always smiling, caring and charitable. Sad stories always make me cry because I am oversensitive to suffering and pain and to innocent victims. When it comes to work, I am very responsible and curious and I will never stop learning.

I love travelling, adventures, new acquaintances and I believe that we all have responsibility to make this world a better and more beautiful place.
